The screenshot shows the SAP 'Organization and Staffing Create' window. The left sidebar contains a 'Find by' section with options: Organizational unit, Position, Free search, Search Term, Structure Search, Object History, Job, Person, User, Task, Business Partner, and Project. The main area is titled 'Organization and Staffing Create' and shows a hierarchy: SAP-C-04 (Chief) > SAP-Trainee-C-04 (Workflow). Below this, the 'Details for Position SAP-Trainee-C-04' are displayed. The 'Basic data' tab is active, showing fields for Position (Train-C-04), Job (Lead Trainee), Head of own organizational unit (Vacancy open), Staffing status (Person Officer), and Holder (Line manager). The 'Description' section shows a table with columns: Icon, Hold, Percentage, Assigned as, Assigned u, and Subtyp. The status bar at the bottom indicates 'Data has been saved'.

2. Tahapan Exercise 6-2 : Menerima Pegawai Baru.

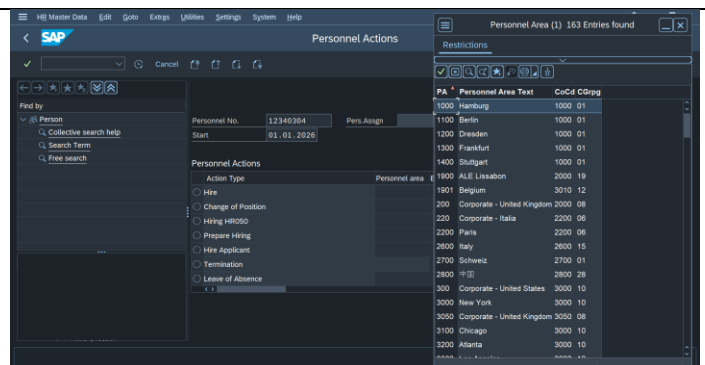

Navigasi ke sub menu personal actions pada menu Human Resources.

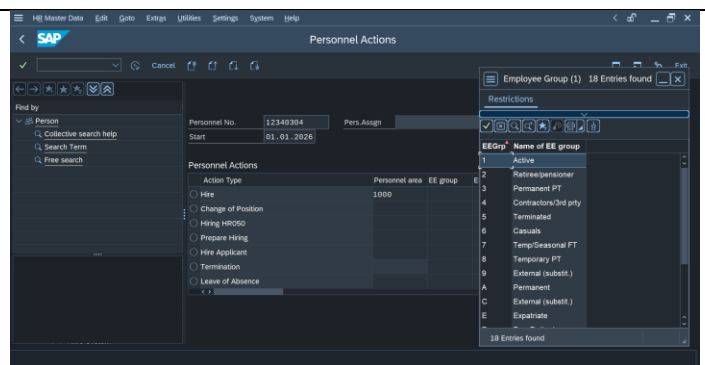

Setelah masuk pada tampilan personal actions, masukan data yang diperlukan seperti personal number yang telah dibagikan.

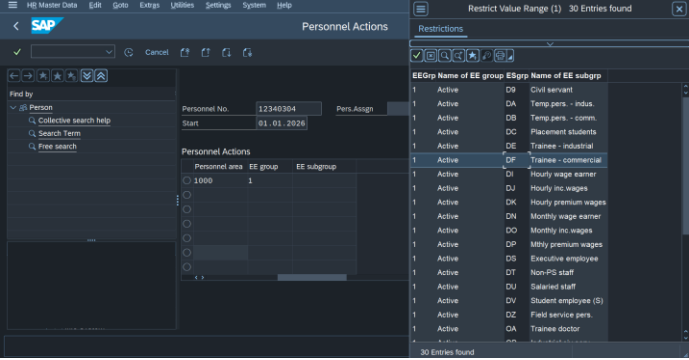

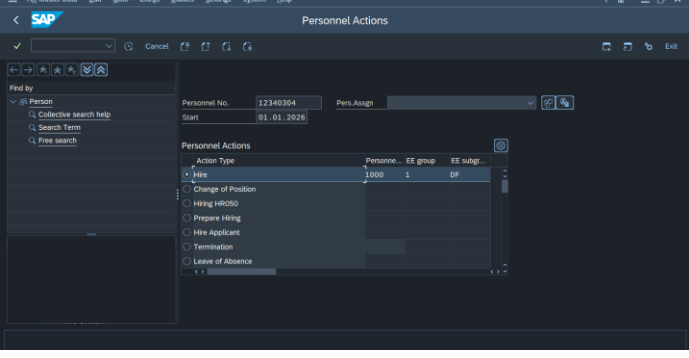

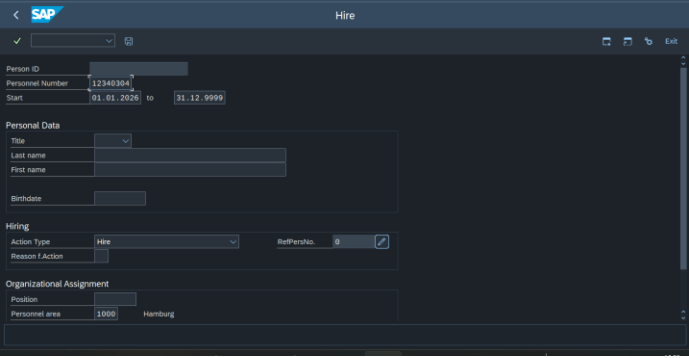

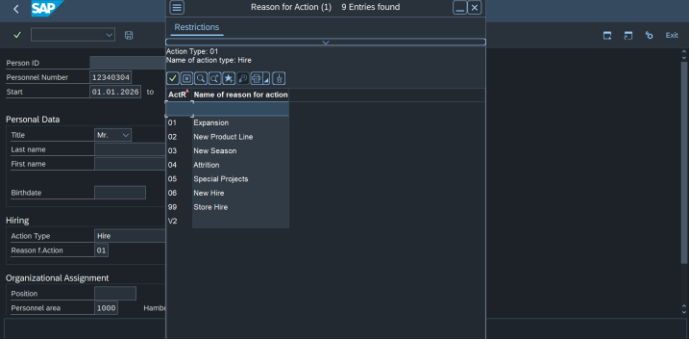

Personal area merupakan company code..

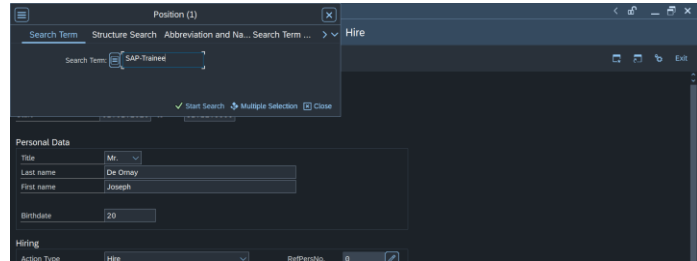

EE Group merupakan pengelompokan karyawan.

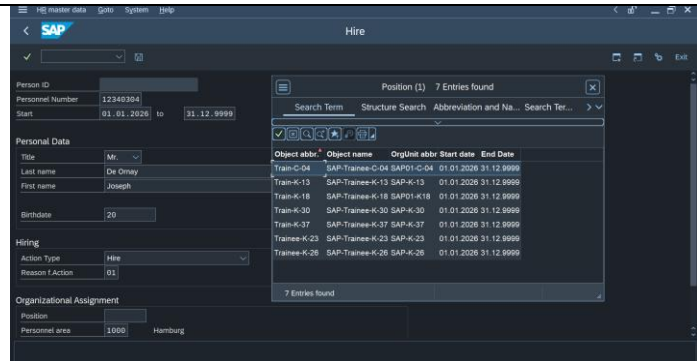

Jenis pekerjaan dan divisi secara lebih spesifik.	
Select record Hire dan klik execute.	
Setelah terexecute maka akan masuk pada view Hire (sesuai dengan selection). Masukkan data sesuai dengan petunjuk pada modul.	
Alasan penerimaan pegawai adalah ekspansi perusahaan.	

Inputkan nama posisi yang dicari yang berkaitan dengan keyword SAP Trainee.

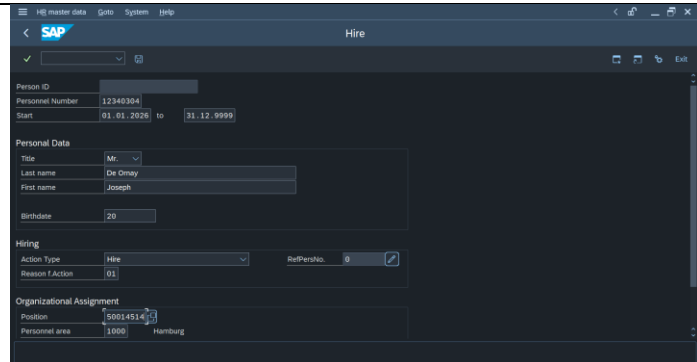

The screenshot shows the 'Position (1)' search dialog box in SAP. The 'Search Term' field contains 'SAP-Trainee'. Below the search bar, there are sections for 'Personal Data' (Title, Last name, First name, Birthdate) and 'Hiring' (Action Type, Reason for Action). The 'Start Search' button is highlighted.

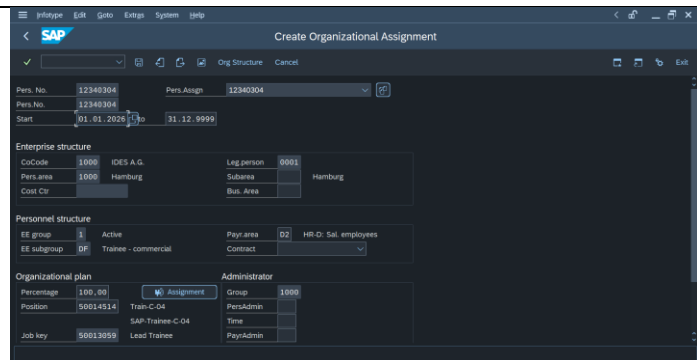

The screenshot shows the 'Hire' screen in SAP. The 'Position (1)' search results are displayed in a table. The table has columns: Object abbr*, Object name, OrgUnit abbr, Start date, and End Date. The results are as follows:
